WOMENS GAELIC CHAMPIONSHIPS – MAJOR SPONSORSHIP

Dear Sir/Madam,

Thank you for your further interest in your potential sponsorship of the 2012 South Australian Women's Gaelic Football team. These major fundraising packages will secure your sponsorship for our team, ensuring representation not only locally but across Australia and overseas.

PACKAGE A - \$500 – SPORTS BAG

The team will be supplied with a match bag for the championships. This will be used to travel to and from Perth and will be required by each team member to be used for all games during the week. The long side panel of the sports bag will be available for your design.

PACKAGE B - \$1000 – POLO SHIRTS

Each team member will have a polo shirt that will be worn on all official state time – transition to and from Perth, before and after games, during all team events and as a pre match warm up shirt. Your design will be able to be displayed on the front or back of the polo shirt.

PACKAGE C - \$2000 - TRACKSUIT

Tracksuits will be issued on the same terms as the polo shirts mentioned above. The back of the jumper and a leg of the pants will be available to present your design on.

Major sponsorship through all of the packages will also entitle you to:

- Advertisement on the South Australian Gaelic Football and Hurling web site
- Your own copy of the product from the package
- A framed photo of the women's team with your business logo/details displayed
- Formal invitation to our jersey presentation night on September 27th in honour of all our sponsors
- A larger area on the banner that will be on display all 2012/2013 season at the home of Gaelic football in South Australia, St Marys

All of our team members representing South Australia do so with the upmost respect as such a position is an astounding honour. We hope to not only do ourselves proud playing at this high level but all of those who have made this opportunity a possibility for us.

Any contribution from your business is greatly appreciated as it helps our players cover the costs of the week. Sponsorship and donations from people like you are vital to the survival and achievements of our volunteer run association. If you would like further information or have any questions please don't hesitate to contact us. We look forward to hearing from you soon.

Kind Regards,
